

9 MONTH NYC INVESTOR ROADSHOW ROADMAP

What we do

Investor Relations Subscription Model

We connect forward-thinking founders to visionary investors through highly curated quarterly investor roadshows.

Automated Investor Meetings

We schedule investor meetings on your behalf, proven to accelerate IR with VCs, LPs, and Angels.

Strategic Partnerships to Scale:

We believe that raising capital is more than just about the money, it's about building long-term relationships.

NYC Investor Roadshow Mission

Our mission is to fund forward-thinking founders solving overlooked problems in the US, Canada and EMs.

Why Us

No large-scale retainers

Unlike industry standards we do not charge retainers upwards of \$50k.

No success fees or equity required

We believe in transparency and long-term goals, so once again we do not charge success fees or take equity.

Flexible Quarterly Subscription Model

Our result-driven fee structure focuses on helping founders achieve their goals in a fair and transparent manner.

Guaranteed Best Offer for ROI

Startups on average could save \$300k+ on a \$5m raise when compared to industry standard pricing.
